

Federal Programs Products/Services Selection Form

Hollandale School District

Use the [Federal Programs Products/Services Selection Rubric](#) to evaluate the products/services compared.

List the need(s) for the school/district that the selected product/service is intended to meet:

1.

2.

3.

	Product/Service #1	Product/Service #2	Product/Service #3
Name/Title of Product/Service			
Vendor Providing Product/Service			
Alignment Score			
Performance Score			
Stakeholder Score			
Cost Score			
Total Score			

Selected Product/Service:

If not selecting the product/service with the highest total score, you must provide a rationale statement:

All information on this form is accurate and I have completed a fair and consistent evaluation of the above products/services, selecting the product/service that will best meet the needs of our students.

Staff Signature: _____

	Product/Service #1	Product/Service #2	Product/Service #3
Name/Title of Product/Service			
Vendor Providing Product/Service			

List the stakeholders in the following table and have them sign next to their indicated choice. At least two (2) stakeholders should provide input for each reasonable type of stakeholder based on the product/service.

Name of Stakeholder	Type (ie. Student, Teacher)	Product/Service Choice	Stakeholder Initials
